Dear Sir / Madam,

My name is Antonis Constantinou. I am a fully qualified Digital Designer with an Honours Degree in Design for Digital Media from Grays School of Art – Robert Gordon University, Aberdeen.

I have been in my current role as Digital Designer for Stewart Milne Group Marketing since July 2011. My responsibilities include creating and sending all email campaigns, maintaining the Stewart Milne websites, and maintaining / monitoring all live creative. Working in the marketing department of a large company has given me invaluable experience of dealing with a variety of different people and companies, from both a client and designer perspective.

Prior to working at Stewart Milne Group I worked as a freelance digital / graphic designer.

Thank you for taking the time to read this and I hope to hear from you soon.

Yours Faithfully,

Antonis Constantinou

Personal Details

Name	Date of Birth (D/M/Y)	Address	Contact Details
Antonis Constantinou	05 / 06 / 1987	48 Woodend Crescent Aberdeen Scotland AB15 6YQ	M: 07986 244 049 E: constantdigital@gmail.com

Commercial Experience

Digital Designer at Stewart Milne Group. Responsibilities include creating and sending all email campaigns, maintaining the Stewart Milne websites, maintaining the automated feeds to property portal websites, online creative for property portals, maintaining the company's SharePoint portal and maintaining and updating the company's SharePoint-based intranet. In addition to this, I am responsible for analysing creative regularly in order to make continuous improvements, and I am also required to implement and provide training (including relevant documentation) to people within the business, with regards to managing certain aspects of the company's digital content.

Previously worked as freelance digital / graphic designer. During this time I worked on placement at Aberdeenshire Council within the Graphic Design team.
